Ridge Cap
Shingles

*The Perfect Finishing Touch
For Your New Roof Should Be
A Protective And Distinctive*

Ridge Cap Shingle

A Distinctive And Protective Premium Ridge Cap Shingle Will:

- Accentuate the natural beauty of your newly installed architectural shingle roof (or even add dimension and depth to a strip shingle roof)
- Offer multi-layer protection at the highest-stress areas of your roof (the hips and ridges)
- Provide a striking and higher quality alternative to using cut-up strip shingles as your ridge cap

Ridglass® distinctive ridge cap shingles are a key part of the GAF-Elk Smart Choice® Roof System Solution, and have even earned the prestigious Good Housekeeping Seal (see reverse).

RIDGLASS®

Premium Ridge Cap Shingles

Your Best Choice:

- ✓ Ultra-high profile enhances your home
- ✓ Specially-designed for the Western U.S.

Homeowner's Best Choice

- **Incredible Appearance...** Unique, ultra-high profile design is 382% thicker than strip shingles—to enhance the natural beauty of your home by sharply framing the roof line.
- **Greatest Dimension...** Significantly thicker edge than most other products for an unmatched wood shake appearance.
- **Special Design...** Created for the unique architectural style of homes in the Western U.S.
- **The Right Colors...** Designed to complement the color of your roof's shingles.
- **Stays In Place...** Dura Grip® self-seal adhesive seals each piece tightly and reduces the risk of shingle blow-off.
- **Peace Of Mind...** Covered by a ltd. warranty against manufacturing defects.*

Professional's Best Choice

- **Ready To Install...** Patented, pre-folded design with 8" exposure means no costly cutting or folding on the roof.
- **Saves Labor...** Fewer pieces to apply allows you to offer greater customer value.
- **Highest Quality...** Special, SBS polymer-modified asphalt helps prevent cracking and peeling during installation.

*See ltd. warranty for complete coverage and restrictions.

Nominal Product Specifications

- Available in 8" and 10" widths
- 8" exposure
- Available in the Western Region only

COVERAGE:

- 31 linear feet (9.1m) per box
- Approx. 3.2 boxes cover 100 linear feet
- Approx. 160 pieces per 100 liner feet of coverage

PACKAGING:

- 48 pieces per box

CODE APPROVALS

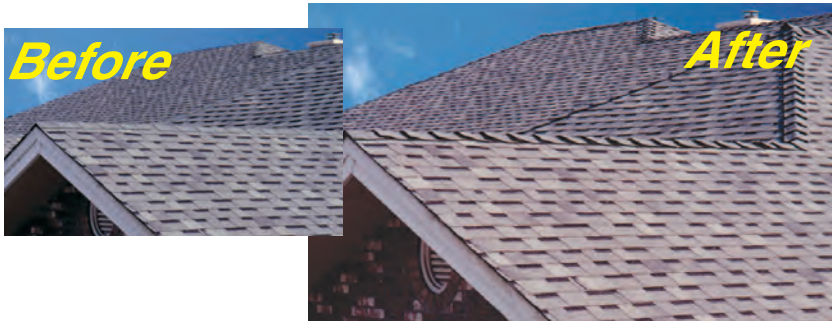

- UL 790 Class A fire rated
- ICC ES ER-5695
- Florida Building Code approved
- Dade County approved
- Meets ASTM D3018 and D3462*
- CSA 123.5 98

*This product is manufactured to meet or exceed ASTM D3462; values from subsequent testing may vary depending on storage conditions.

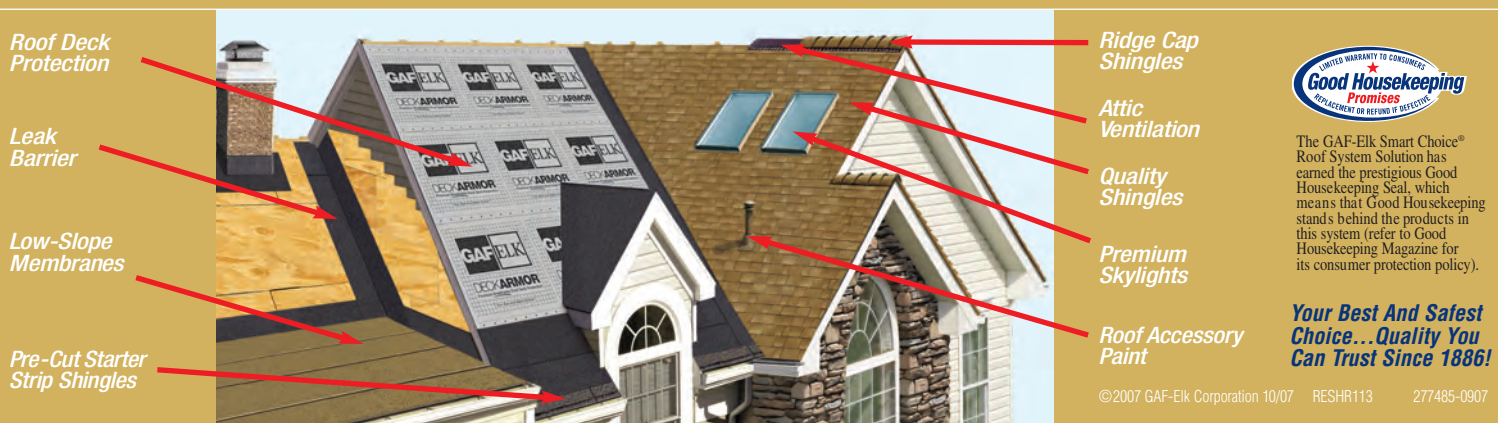

Note: Measure your roof's ridges, hips, and dormers for quantity needed. An average 2500 square foot house uses approximately 70 linear feet of Ridglass® distinctive ridge cap shingles.
