Ridge Cap Shingle

A Distinctive Ridge Cap Shingle Will:

- Accentuate the natural beauty of your newly installed architectural shingle roof (or even add dimension and depth to a strip shingle roof)
- Insure reliable protection at the highest-stress areas of your roof (the hips and ridges)
- Provide a striking and higher quality alternative to using cut-up strip shingles as your ridge cap

Z[®]Ridge distinctive ridge cap shingles are a key part of the GAF-Elk Smart Choice[®] Roof System Solution, and have even earned the prestigious Good Housekeeping Seal (see reverse).
